

MADISON COUNTY WINERY

Dear Tour Organizer:

Madison County Winery is a tourist destination located in a county known for its world-famous Covered Bridges and birthplace of John Wayne. Our vineyard/winery site is located in a beautiful valley just 3.5 miles west of the town of St. Charles, Iowa in Madison County. Our facilities include a fully established vineyard, wine production facility, and tasting room. We produce wines ranging from dry to semi-dry to semi-sweet to sweet. In addition, we also serve, on tap, locally produced craft beers from our partner breweries; Twisted Vine Brewery and Big Rack Brew Haus. Both of these breweries began their operations/production at our facilities.

Following are several options we offer tour buses for tastings, tours, and lunches:

- 1.) Wine Tasting only - \$10.00/person**
 - Tasting includes 5 wine samples
- 2.) Wine Tasting & Tour - \$18.00/person**
 - Tasting includes 5 wine samples
 - Tour includes vineyard & wine production facility
- 3.) Wine Tasting, Tour, & Lunch - \$30.00/person**
 - Tasting includes 5 wine samples
 - Tour includes vineyard & wine production facility
 - Lunch includes: charcuterie, "Build Your Own" sandwich bar, salad, chips, cookie, and water or soda

Optional:

Your guests will have the option to enjoy the beautiful views on our large patio or in our tasting room and/or back room. We do require that tour organizers make one final payment for total number of guests. Please visit our web site www.madisoncountywinery.com for additional information.

Thank you for your interest in our winery, and I look forward to hearing from you.
